Lana Kay Dov RN, MSN
Jeannie Fong
Soyeon Lippman, PhD, MPA, MS
Kim Vuong, RN, BSN

CONTINUING EDUCATION CREDITS

The Curry International Tuberculosis Center is approved as a provider of continuing education by the California State Board of Registered Nurses, Provider Number CEP 12308. This educational activity is approved for 4.00 continuing education hours. Board requirements prevent us from offering CE credit to people who arrive more than 15 minutes after the start of the training, or leave the training early. Therefore, partial credit will not be awarded.

Certificates will be available on the Curry International Tuberculosis Center website approximately twelve weeks after the training to all participants who requested CME or nursing credits on their applications and who successfully complete the training. Successful completion includes attending the entire training, signing in, and completing an online evaluation. To view your certificate, you will need to log into the CITC website: <https://www.currytbcenter.ucsf.edu/user>. All CME recipients will be contacted 4-months after the training to assist with long-term evaluation activities.
