

CONTINUING EDUCATION CREDITS

The Curry International Tuberculosis Center is approved as a provider of continuing education by the California State Board of Registered Nurses, Provider Number CEP 12308. This educational activity is approved for up to 5.75 continuing education hours. Board requirements prevent us from offering CE credit to people who arrive more than 15 minutes after the start of the training, or leave the training early. Therefore, partial credit will not be awarded.

Certificates will be available on the Curry International Tuberculosis Center website approximately twelve weeks after the training to all participants who requested CME or nursing credits on their applications and who successfully complete the training. Successful completion includes attending the entire training and completing an online evaluation. To view your certificate, you will need to log into the CITC website, go to the training page, and click on "[training history](#)".
